this study presses beyond the pervasive early christian aversion to pagan theatrical art in all its forms and investigates the growing critical engagement with the genre of tragedy by christian authors especially in the post constantinian era

rebuilding adam the tragedy is a poignant and deeply personal memoir that delves into the life altering journey of adam elnekaveh a prominent fitness influencer whose world is shattered by a catastrophic motorcycle accident in this gripping narrative drawn from adam's personal journal readers are thrust into the heart of his harrowing ordeal as he grapples with the devastating aftermath of the accident that nearly claims his life once celebrated for his prowess as a bodybuilder adam finds himself confronting a stark and uncertain future as medical experts offer grim prognoses of death or permanent vegetative state through the raw honesty of his reflections adam invites readers to bear witness to his struggle to reclaim the most fundamental aspects of his humanity as the pages unfold adam's resilience becomes the focal point of his story as he embarks on a courageous journey towards recovery from the painstaking efforts to regain speech and mobility to the complexities of navigating paralysis and personal relationships adam's narrative is a testament to the power of the human spirit in the face of overwhelming adversity rebuilding adam the tragedy is more than just a memoir it is a testament to the resilience of the human spirit through adam's candid and introspective account readers are

reminded of the enduring capacity for hope even in the darkest of times his journey serves as a beacon of inspiration illuminating the path towards healing and redemption this compelling memoir serves as a poignant reminder that even in the midst of tragedy there is always a glimmer of light waiting to be found through his remarkable transformation adam proves that with determination courage and unwavering faith it is possible to rebuild a life brick by brick and emerge stronger than ever before

literature and the law of nations 1580 1680 is a literary history of international law in the age of shakespeare milton grotius and hobbes seeking to revise the ways scholars understand early modern english literature in relation to the history of international law it argues that scholars of law and literature have tacitly accepted specious but politically consequential assumptions about whether international law is real law literature and the law of nations shows how major writers of the english renaissance deployed genres like epic tragedy comedy tragicomedy and history to solidify the canonical subjects and objects of modern international law by demonstrating how renaissance literary genres informed modern categories like public international law private international law international legal personality and human rights the book over its seven chapters and conclusion helps early modern literary scholars think anew about the legal entailments of genre and scholars in law and literature long accustomed to treating all law with a single broad brush better confront the distinct complexities fault lines and variegated histories at the heart of international law

the essays in this volume deal with the uses of greek tragedy by european playwrights between the renaissance and the romantic period while the individual essays include discussions of plays by neo latin italian french and german playwrights they aim at isolating the strategies of adaptation and patterns of transformation shared by the different writers as heirs to a common dramatic tradition the first essay traces the crucial impulses that european tragedy received from the humanist imitation of ancient drama and concludes with a detailed analysis of garnier s *antigone* this is followed by a study of racine s *phedre* as both an embodiment of and an exception to the characteristic strategies of adaptation used by seventeenth century playwrights a turning point in the understanding of greek tragedy is illustrated by a comparison of goethe s *iphigenia auf tauris* and kleist s *penthesilea* a fourth essay analysing two characteristic strategies in coping with the problem of knowledge in *oedipus rex* examines that approaches taken by voltaire kleist *corneille* and schiffler and discusses ibsen s *ghosts* as the prototype of modern analytical tragedy the next essay turns to scriptural tragedy discussing buchanan s *jephtha* as the prototype of a genre of christian tragedy which applied strict imitation of greek tragic form to theologically intractable subjects from the old testament the essay concludes with a study of *athalie* and *samson agonistes* as the two belated masterpieces of this sub genre of humanist drama finally the volume addresses the interaction of epic and dramatic traditions in two essays showing milton s use of the conventions of the tragedy of knowledge in *paradise lost* and racine s use of the *dido* tragedy as the model for *berenice* this encompassing survey of an enduring dramatic tradition offers useful background for the study of drama and all those interested in the continuing life of the classical tradition
