this book analyzes the effect of gender on policy making in the jamaican parliament specifically regarding women friendly policies so called women friendly policies are categorized as those laws which seek to promote and protect women s rights and equality and have some element addressing childcare domestic violence sex offences reproductive rights sex discrimination property rights and family issues it frames critical analysis of bill sponsorship and the participation levels and verbal contributions of legislators during floor debates on legislation affecting women using a mixed method approach the author gives insight into how feminism is integrated into real time public policy discourse the book begins with a brief overview of feminist advocacy and activism and state feminism in jamaica and an introduction to the country s parliamentary system it then moves to a theoretical discussion of feminist advocacy within public policy debates the next two chapters present a time series analysis of bill introduction and floor debates on women s interests and issues legislation from 1962 through 2017 the concluding chapter ties up the research and provides recommendations for moving forward combining feminist theory with a detailed view of jamaican parliamentary procedure and debate this book will be useful to students and researchers interested in feminist advocacy and activism minority representation democratic governance and women in politics

archiving caribbean identity highlights the caribbeanization of archives in the region considering what those archives could include in the future and exploring the potential for new records in new formats interpreting records in the broadest sense the 15 chapters in this volume explore a wide variety of records that represent new archival interpretations the book is split into two parts with the first part focusing on record forms that are not generally considered archival in traditional western practice the second part explores more traditional archival collections and demonstrates how these collections are analysed and presented from the perspective of caribbean peoples as a whole the volume suggests how colonial records can be repurposed to surface caribbean narratives reflecting on the unique challenges faced by developing countries as they approach their archives the volume considers how to identify and archive records in the forms and formats that reflect the postcolonial and decolonized caribbean how to build an archive of the people that documents contemporary society and reflects caribbean memory and how to repurpose the colonial archives so that they assist the caribbean in reclaiming its history archiving caribbean identity

demonstrates how non textual cultural traces function as archival records and how folk centred perspectives disrupt conventional understandings of records the book should thus be of interest to academics and students engaged in the study of archives memory culture history sociology and the colonial and postcolonial experience

since the metoo hashtag went viral in 2017 the movement has burgeoned across social media moving beyond twitter and into living rooms and courtrooms it has spread unevenly across the globe with some countries and societies more impacted than others and interacted with existing feminist movements struggles and resistances this interdisciplinary handbook identifies thematic and theoretical areas that require attention and interrogation inviting the reader to make connections between the ways in which the metoo movement has panned out in different parts of the world seeing it in the context of the many feminist and gendered struggles already in place as well as the solidarities with similar movements across countries and cultures with contributions from gender experts spanning a wide range of disciplines including political science history sociology law literature and philosophy this groundbreaking book will have contemporary relevance for scholars feminists gender researchers and policy makers across the globe

this book explores the widespread problem of gender based violence in the anglophone caribbean exploring reasons for its perpetuation and proposing viable policy and programming solutions to prevent it drawing on the work of a multidisciplinary team of caribbean researchers and practitioners the book explores the ways in which violence victimisation and perpetration have been socially and institutionally shaped and supported by fixed gender codes key themes in the book include the institutional frameworks and structural inequalities that perpetuate gender based violence the role of the church both in perpetuating the problem and its potential to combat it the role of law access to justice and governmental and non governmental responses to gender based violence the book covers violence against women but also explores women as perpetrators men and boys as victims and gender based violence against young persons it also demonstrates the ways in which gender based violence can further marginalise already marginalised groups such as members of the lbtq community or persons with disabilities bridging the divide between academia government and civil society this book challenges the normalisation of gender based

violence in the anglophone caribbean and proposes viable culturally relevant solutions for prevention it will be of interest to researchers and practitioners working on issues related to gender the caribbean global development criminology and human rights

this collection unravels the stereotypical images of gender and space and presents a series of new explorations into both lived and imagined spaces in new frontiers of space bodies and gender leading contemporary writers from across an eclectic mix of disciplines examine an exciting array of issues such as jamaican ragga music and female performance feminist anti violence work pregnant women s experience of shopping centres the fear of crime felt by women using urban greenspace implications of technology in gendering identities this book forges new parameters for debates of gender and space leaving behind the simple focus on women as victim in the public arena and remapping considerations of space which look beyond bricks and mortar contributors aylish wood robyn longhurst ali grant lesley klein affrica taylor inga lisa sangregorio jacqueline leavitt tracey skelton nina wakeford jos boys sally r munt doreen massey jacquie burgess maher anjum lynne walker

presents overviews of domestic violence in thirteen countries around the world including australia jamaica japan russia and the u s describing perceptions of domestic violence in each country as well as contributing factors and responses to the problem

in the caribbean sexuality has never been a topic for public discussion previously relegated to theatrical innuendo musical lyrics and other popular forms of cultural expression the hiv and aids pandemic have now thrown this taboo subject centrestage the discourse on gender and sexuality is however still being shaped and this book sets the platform for that discussion proceeding from a premise that gender influences sexuality and sexual behaviour sex power and taboo provides an interdisciplinary approach to the exploration of how gender affects hiv risk and prevention the paradigm of hiv and aids research is shifted by illuminating the influence of gender ideologies norms and power relationships on sexuality and the impact of gender to hiv risk and prevention within and outside of the caribbean the contributors are caribbean and international and discuss gender and sexuality for the academic for those in the public health service as well as social policymakers sex power and taboo contributes to the research based interventions to aid the prevention of hiv and aids and other sexually transmitted diseases and will assist in the design implementation and evaluation of

programmes addressing the aids epidemic
