in activists speak out a group of fifteen american activists speak candidly about how and why they struggle for change their causes and strategies vary in the areas of civil rights gay and lesbian rights the environment women s issues health youth education labor freedom of expression and the arts but the lessons learned resonate across geographic and ideological boundaries whether working as grass roots organizers or corporate insiders in cities or in rural areas the through line of their observations is constant change is slow and may take shape in unexpected ways small victories count and whatever the initial motivation to become engaged in the struggle for change anger compassion frustration the very process of engagement is itself transformative you cross that line and nothing is ever the same

artists and programmers often work together on complex projects in stressful environments and things don t always go smoothly miscommunication and misunderstandings are common as these two disciplines often use the same words to mean different things when they talk to each other unintentional slights can turn into long held grudges and productivity grinds to a crawl this is

a flip book that contains two narratives in one turn the book one way and read one perspective turn the book over and upside down and read the other perspective the narratives can be read separately one after the other or in alternating chapters talking to artists talking to programmers can help anyone who wants to improve communication with artists and programmers it s set up like a foreign language dictionary so it addresses the cultural norms attitudes and customs surrounding the words each group uses so you ll know not just what the words in the glossary mean you ll know why they re used that way and how to get communication flowing again it addresses common reasons for communication problems between these two groups and provides specific suggestions for solutions the unusual format allows for each side to be given equal weight learn how to talk to artists starting on one side of the book turn it over and learn how to talk to programmers the whole book stresses the things artists and programmers have in common focused primarily on videogame developers it also applies to other fields where tech and art have to work together including web developers and teams building mobile apps anyone who wants to communicate better with programmers or artists this book can help

this book presents a unique and original series of interviews with american artists including guerrilla girls on tour shepard fairey and sean astin who have voiced their opposition to the war in iraq these discussions examine the relationships between arts and politics and the limits and conditions of political speech and action

censorship is alive and well in the art world artistic expression is as vulnerable in democracies as it is in authoritarian regimes when it comes to sex religion and the limits of tolerance from international shows in the gulf and the far east to leading museums and galleries in the us and london contemporary artists fall foul of local laws and sensibilities index on censorship examines some of the most recent cases talks to celebrated sculptor anish kapoor about taking a political stand and travels from iran to china to see how artists are subverting the constraints on creative freedom index on censorship is an award winning magazine devoted to protecting and promoting free expression international in outlook outspoken in comment index on censorship reports on free expression violations around the world publishes banned writing and shines a light on vital free expression issues through original challenging and intelligent commentary and analysis publishing some of the world s finest writers for subscription options visit indexoncensorship org subscribe indexoncensorship org the place to turn for free up to the minute free expression news and comment winner 2008 amnesty international consumer magazine of the year

an interdisciplinary exploration of the visual presence of death in contemporary culture

in young artists speak out peter renshaw gives the floor to the latest

generation of young creative people starting from his own experiences renshaw quickly moves on to the world of today and its meaning for young artists young artists speak out is a clarion call to anyone working with and for young artists it challenges cultural and arts education organisations to listen and pay attention to what this generation has to say it is a call for passion compassion and purpose in the arts and education
