examines the culture of the party school and the criminal behaviors that result from it

vandalism and anti social behaviour forwards a new typology of vandalism the authors argue that in order to fully understand vandalism and anti social behaviour a culturally criminological perspective should be fostered which accounts for the emotional and experiential aspects of crime

the strike by local p 9 against the hormel co in 1985 86 marked a turning point in american labor history the central role played in the strike by the austin united support group brought the issues of economic justice and community survival to the forefront of the labor movement agenda in response to isolation from their traditional communities these women created a vital and successful strike culture that was characterized by cooperation solidarity and a variety of institutions to meet the economic social and spiritual needs of the 1 500 striking families this work is important because it shows the strength of the women and their vision of economic justice how deeply committed they remain to their ideals and their struggle and how little the passage of time has diminished their anguish this work is important also as a portrait of a typical midwestern company town where community life is colored strongly by economics
