this book is intended as a textbook for advanced undergraduate or graduate students in the field of bilingualism and language choice it reports on a sociolinguistic study of the language choice patterns of the minority ikwerre ethnic group of port harcourt city nigeria further it aims primarily to present a systematic and coherent account of the extent and patterning of ikwerre npe bilingualism within the ikwerre community focusing on the means by which people in this community deploy two different codes in their day to day communicative interactions and the social and attitudinal motivations for language choice at both the group and

individual level to satisfy these objectives this study has taken into account the pre existing linguistic socio economic and macro sociological distinctiveness of the ikwerre community thus it has investigated prevailing local attitudes towards ikwerre and npe by incorporating matched guise tests to deepen our understanding of the processes of language choice and shift operating in the community this was done to demonstrate that contemporary local linguistic attitudes working together with personal network ties would offer fuller and more adequate explanations of why members of the port harcourt ikwerre community select either ikwerre and or npe in their normal every day interactions from the observations and findings made in this study i propose an account of the language choice patterns attested in my port harcourt ikwerre community data that is based on establishing a broad typology which can be directly related to the bilingualism continuum this framework should be equally applicable to similar bilingual settings around the world which like port harcourt have experienced rapid metropolitan growth as a result of radical socio economic change in their recent history finally it is my hope that in the course of reading this book the reader can come to a place where their understanding and appreciation of the effects of languages in contact in non western communities is enriched with the illustrative material in this book

covers the latest methodologies and research on international comparative surveys with contributions from noted experts in the field advances in comparative survey methodology examines the most recent advances in methodology and operations as well as the technical developments in international survey research with contributions from a panel of international experts the text includes information on the use of big data in concert with survey data collecting biomarkers the human subject regulatory

environment innovations in data collection methodology and sampling techniques use of paradata across the survey lifecycle metadata standards for dissemination and new analytical techniques this important resource contains contributions from key experts in their respective fields of study from around the globe highlights innovative approaches in resource poor settings and innovative approaches to combining survey and other data includes material that is organized within the total survey error framework presents extensive and up to date references throughout the book written for students and academic survey researchers and market researchers engaged in comparative projects this text represents a unique collaboration that features the latest methodologies and research on global comparative surveys

this work aims to provide the most comprehensive bibliography in the domain of sociolinguistics and in the field of language planning the 640 page publication gives access to a large percentage of the published literature via a sophisticated thesaurus as the title indicates africa and specifically southern africa is covered in great detail sources on the history and development of the languages of namibia and zimbabwe have been included apart from sources on the languages of africa the bibliography also offers a comprehensive overview on topics such as language conflict language decline language development and language rights as well as a section on translations and interpreting the categorisation of sources is intended to stimulate researchers and postgraduate students and this makes the bibliography an indispensable tool for librarians and senior academics
