human rights law provides thorough coverage of human rights issues offering a practical text for trainee solicitors and practitioners in

ireland this fourth edition has been fully updated to cover recent developments in the field

in humanity's law renowned legal scholar ruti teitel offers a powerful account of one of the central transformations of the post cold war era the profound normative shift in the international legal order from prioritizing state security to protecting human security as she demonstrates courts tribunals and other international bodies now rely on a humanity based framework to assess the rights and wrongs of conflict to determine whether and how to intervene and to impose accountability and responsibility cumulatively the norms represent a new law of humanity that spans the law of war international human rights and international criminal justice teitel explains how this framework is reshaping the discourse of international politics with a new approach to the management of violent conflict teitel maintains that this framework is most evidently at work in the jurisprudence of the tribunals international regional and domestic that are charged with deciding disputes that often span issues of internal and international conflict and security the book demonstrates how the humanity law framework connects the mandates and rulings of diverse tribunals and institutions addressing the fragmentation of global legal order comprehensive in approach humanity's law considers legal and political developments related to violent conflict in europe north america south america and africa this interdisciplinary work is essential reading for anyone attempting to grasp the momentous changes occurring in global affairs as the management of conflict is increasingly driven by the claims and interests of persons and peoples and state sovereignty itself is transformed

the asian yearbook of human rights and humanitarian law aims to publish peer reviewed scholarly articles and reviews as well as significant developments in human rights and humanitarian law it examines international human rights and humanitarian law with a global reach though its particular focus is on the asian region the focused theme of volume 2 is islamic law and its implementation in asia and the middle east

it's hard to be the only one that single sentence from a teenage congregant sums up the conviction that motivated christian theology for a secular society in these dying days of christendom the reality that most western christians face is living out their faith as a minority in the midst of a culture that is at every level personal institutional and societal secular in nature while most living in western societies still affirm belief in god and often other vaguely recognizable christian beliefs these affirmations frequently have little to do with how daily life is lived the idea that the god best known to us in jesus christ is actually in charge of life is foreign for most christianity simply does not form an overarching system of meaning that shapes life instead life is lived largely without reference to god and to live any other way is often hard in this volume mark mckim sets out to do theology in this context how does one explain the core

historic christian doctrines in a way that makes sense in a secular culture and in a way that will gain a hearing what does it mean to be the church in this new situation throughout mckim asks the question so what as he relates christian teachings to a secular society and to what is actually happening in the local church mckim s goal is to enable the singing of the lord s song in the new and strange land of a secular society

a survey of the regulation of human germline genome modification in eighteen countries and the emerging international standards

this paper looks at the contentious debate surrounding humanitarian intervention through a critical narratological lens by questioning the roles cast and identities constituted in what could be compared to a theatrical drama

this unique book organizes the decisions of the international criminal tribunal for the former yugoslavia by topic including genocide crimes against humanity war crimes individual criminal responsibility command responsibility affirmative defenses jurisdiction sentencing fair trial rights guilty pleas and appellate review in selected cases the book also applies key aspects of the law to the facts of the case
